

Harvest Christian Academy has a career path just for you!

Empowering and Developing Kingdomcentric Leaders
to serve our state, our nation, and our world

Pathway Plus Options

Health Science 9th-12th Grades

This program is designed to be a springboard for students to develop the skills and behaviors to enhance their knowledge and practice of general health and wellness.

Developed using the National Consortium of Health Science Education Standards.

Entrepreneurship 7th-8th Grades

Business Management 9th-12th Grades

The program integrates business research through the lenses of theoretical and biblical perspective. It introduces students to the primary functions of business, the relations between risk and profits and the importance of understanding the various ways to legally form and structure a business.

Partnering with the U of D EntreX Program
